Dear Ms. Joli,

You inspire such generosity! Thank you so much for your generous donation of \$1000 to support the impactful work we do at Casa Valentina. Your gift at this critical time help us continue our efforts to provide shelter and support services to our young ladies and gentlemen as they work towards independence.

The past year has been exciting for Casa Valentina, and we look forward to furthering our success! As you know, the cost of providing homes and services at Casa Valentina is very high, but necessary. With so many young people being left without homes or hope, Casa Valentina is a safety net for the future of the young adults that we currently serve. Together, all of us who believe in the futures of our young men and women will work tirelessly to improve their lives and shepherd them into productive independence, with all of the skills they need for success.

Thank you for being a part of the village that strives each and every day to ensure our most vulnerable youth are able to reach their full potential!

Sincerely,

Ingrid M. Gonzalez
